Asian Foundation for Philanthropy invites you to:

## **Asian women in business: Experiences from UK and India**

Are you a female owned or co-owned UK Asian business?

Listen to our businesswoman who supplies between 80 to 100 stores including Harrods in the UK

Do you get your products from or work with India?

Hear advice on working and sourcing ethically and successfully from India.

Find out how **you** can make your business more successful, expand to India, network with other businesswomen and be more ethical.

**DATE:** Tuesday, 15th SEPTEMBER 2009
