

A woman selling
horseshoes to be
recycled into
something new.
Sourcing locally
keeps such trades
alive.

@Shalin Saujani

Asian Foundation for Philanthropy
proudly invites you to:

***The Alternative View:
Being ethical by
sourcing local***

Speakers include:

Indikal: A dynamic organisation that
believes that local artisans are
crucial to ethical business

Sattvic Spice: A young company that
roots out independent suppliers to
preserve traditional crafts

Network with like minded businesses, find out
about working with India and where to go for
more information! LIMITED PLACES!
